The big band sound thrives once more.

The Big Band sound has been recreated in the form of the Stage Band. Of the events of the year, the most important was the IHSA Stage Band contest. The band earned the usual second place rating and top honors went to lead alto sax player, Ed Fouts. He was chosen best alto sax player of the day, an honor never won

by any South bandsmen before.

Another Varsity Band offshoot is the Pit Band for the fall musical. This group, as seen below, differs from the stage band. The musical score is written for an orchestra and flutes are substituted for violins.
